

# Variable Annuity, Reg BI, NIGO and Replacement Regulatory Source Package

Prepared July 18, 2026 from official public sources.

**Authority hierarchy:** SEC rules, applicable FINRA rules, and Texas statutes/regulations control within their scope. Regulatory notices and oversight reports are guidance. NAIC model regulations are not independently binding unless adopted by the jurisdiction.

| File                                          | Document                     | Authority status                                         |
|-----------------------------------------------|------------------------------|----------------------------------------------------------|
| 01_FINRA_Rule_2330.pdf                        | FINRA Rule 2330              | Binding FINRA rule                                       |
| 02_FINRA_Rule_2111.pdf                        | FINRA Rule 2111              | Binding where applicable; not for Reg BI recommendations |
| 03_FINRA_Rule_2342.pdf                        | FINRA Rule 2342              | Binding FINRA rule                                       |
| 04_FINRA_Rule_2010.pdf                        | FINRA Rule 2010              | Binding FINRA rule                                       |
| 05_FINRA_Rule_4511.pdf                        | FINRA Rule 4511              | Binding FINRA rule                                       |
| 06_FINRA_RN_22-18.pdf                         | Regulatory Notice 22-18      | Guidance                                                 |
| 07_FINRA_2024_Oversight_Report.pdf            | 2024 FINRA Oversight Report  | Exam findings/effective practices                        |
| 08_SEC_Regulation_Best_Interest_34-86 031.pdf | SEC Regulation Best Interest | Federal rule/adopting release                            |
| 09_TX_Annuity_Best_Interest_Framework.pdf     | Texas framework overview     | Reference guide                                          |
| 11_TX_28_TAC_3.9721-3.9722_Adoption .pdf      | Texas 28 TAC adoption        | Official TDI rulemaking PDF                              |
| 15_NAIC_Model_275.pdf                         | NAIC Model 275               | Model; binding only if adopted                           |
| 16_NAIC_Model_613.pdf                         | NAIC Model 613               | Model; binding only if adopted                           |

The FINRA rule PDFs numbered 01-06 are clean reproductions/structured extracts of the operative official web text with the official source identified. The SEC, FINRA Oversight, TDI, and NAIC documents are official-source PDFs.
